Some bibliographic entries overlap in scope, so users should consult more than one section when searching for a specific publication. If you are searching for an item not included in this bibliography, contact the IHA office to determine if it has been added to the collection. More information about some titles may be found at Book Reviews.

The following abbreviations are used throughout: AAM—American Alliance of Museums, formerly American Association of Museums; AASLH—American Association for State and Local History; IHA—Illinois Heritage Association; pb—paperback.
